# WHY TRAVEL WITH CHALLENGER WORLD TOURS

- † Over 20 years providing exceptional travel experiences, and memories that last a lifetime!
- † Challenger World Tours is a division of Challenger Sports, the industry leading US soccer company who provides over 200,000 players each year with camps, clinics, tournaments, tours, uniforms and equipment.
- † Challenger is owned and operated by some of the most experienced soccer people in the US who understand how international soccer experiences can change the life of an aspiring player.
- † Each tour is handled by one of our dedicated international travel experts and your group will be accompanied by a full-time Challenger representative.
- † Challenger's extensive network of coaches and personal contacts across the globe ensures that your tour will include the very best games, coaching, tournaments, stadium tours, sightseeing, travel, and accommodation throughout your entire trip.
- † Upon registration each group can request up to 2,500 RAFFLE TICKETS. These can then be distributed evenly amongst the group or by demand to each traveler. We recommend each ticket is sold for a donation of \$10 a ticket. Any money raised from donations for the raffle tickets will contribute towards the value of the individuals trip with each individual keeping 100% of the proceeds..
- † Challenger is a total soccer company who is committed to the success and growth of your entire organization. We know that the quality of your experience on tour, must match the high standards we set in all areas of our business.
